

DUBAI FORUM

NOVEMBER 15-16, 2024

Dear Sponsorship Coordinator,

"America's biggest companies are embracing religious inclusive workplaces at a faster pace than ever before, according to the 2024 Corporate Religious Equity, Diversity and Inclusion (REDI) Index and Monitor, released by the Religious Freedom & Business Foundation (RFBF)"

Allow us to introduce ourselves. We are the [Abraham Women's Alliance](#).

In November 2024 the **Abraham Women's Alliance** (AWA) is hosting an executive women's peacebuilding conference in Dubai. AWA is a collaborative interfaith women's leadership network which fosters human dignity and peacebuilding between the Abrahamic faiths, including leaders in business. Our vision is to continue the work of the Abraham Accords, highlighting women-led strategies to support conflict resolution and thriving economic societies where everyone is free to live what they believe.

As a women's leadership network, we host monthly executive gatherings and produce digital media projects and film festivals to support peacebuilding, women's empowerment and interfaith collaboration in the Middle East. <https://empowerwomen.media/awa/>

Based on research, we are the largest inclusive, women-led network in the world seeking to advance the **Abraham Accords** and the normalization of women's empowerment in the Middle East.

Attached are summary videos of our executive events, including the upcoming **Dubai Forum**:

Dubai Forum (November 15-16, 2024) <https://empowerwomen.media/dubai/>

We would like to cordially invite you to the 2024 **Dubai Forum** and to offer a small sponsorship to support our women's peacebuilding efforts in the Middle East. The Dubai Forum is a two-day leadership event with executive panels, shorts films, discussion groups, networking and a certificate of completion. We would love for you to join us not only as participants in the Dubai Forum, but as sponsors.

Please consider becoming a \$500 or \$1,000 sponsor of the 2024 AWA Dubai Forum. We will be happy to share your logo at our women's event in Dubai and with our worldwide women's network, including via social media and much more. Your support will allow us to offer additional peacebuilding fellowships and cover the cost of the Dubai Forum.

Thank you for your reply. We hope to see you in Dubai in November!

Warm regards,

Shirin Taber
